

CAT# CU181 LOT# 98981  
MIN 25 SEEDS \$2.75  
PACKED FOR 2021 SELL BY 12/31/21

**(Cucumis sativus)**

**CHICAGO PICKLING CUCUMBER**

Released in 1888, originally bred for the markets of the Chicago area. Black-spine fruits to 7"; often harvested much smaller. Amazingly prolific, and disease-resistant, too.

**PLANTING INSTRUCTIONS**

Needs abundant soil moisture and rich soil. Some afternoon shade is beneficial in hottest summer weather. Trellis-growing saves space. Harvest frequently to maintain production.
