### LILLIAN'S CASELOAD GARDEN PEAS

55-65 days. Superior variety saved by Mennonite farmer Lillian Rhiel. She selected and perfected for almost 2 decades, making it different from the original caseload pea. Vines reach 2-3 feet in length with peas about 2.5-3 inches long, containing 5-7 large peas.

#### PLANTING INSTRUCTIONS

Sow in place in very early spring, 4-6 weeks ahead of last frost date, or in later summer for fall harvest. Trellis vining types for best results.
