(Capsicum annuum)

LEUTSGHAUER PAPRIKA PEPPER

A very rare 1800s drying pepper that comes from Matrafured, Hungary. Medium-hot paprikas have great flavor--terrific for drying and making delicious traditional Hungarian paprika.

PLANTING INSTRUCTIONS

Start indoors in bright light 8-12 weeks before last frost date. Heat mat helps to warm soil and speed germination. Peppers often appreciate a bit of afternoon shade during the hottest summer weather.
