MIN 200 SEEDS 0.59 \$3.25
PACKED FOR 2021 SELL BY 12/31/21

(*Echinochloa esculenta*)

MOCHI AWAN MILLET

A historic Japanese grain. This foxtail millet has the sticky texture of glutinous rice but is in fact a gluten-free grain. Today this traditional grain is added to everything from veggie burgers to pastries for its chewy texture and impressive nutritional profile.

PLANTING INSTRUCTIONS

Direct-seed in late spring, after frosts have ended and soil has warmed. Prefers rich, well-drained garden soil. Allow seed heads to dry on plant.
