Sweet Pepper Cat.#PP154
Lot# 1716 Minimum 25 Seeds
Packed for 2022 \$3.00 Sell By 12-31-22

(Capsicum annuum)

OZARK GIANT PEPPER

An old favorite. Colossal long bell peppers have delicious, thick flesh. They start out green, ripening bright red.

PLANTING INSTRUCTIONS

Start indoors in bright light 8-12 weeks before last frost date. Heat mat helps to warm soil and speed germination. Peppers often appreciate a bit of afternoon shade during the hottest summer weather.
