

CAT# HB218 LOT# 78717
MIN 50 SEEDS \$5.00
PACKED FOR 2021 SELL BY 12/31/21

(Rosmarina officinalis)

ROSY ROSEMARY

Tender perennial. Used for centuries, both medicinally and in the kitchen! Small evergreen shrub, covered with needle-like aromatic leaves, and tiny pink or blue flowers.

PLANTING INSTRUCTIONS

Cover tray with plastic wrap or a clear dome and keep soil temperature at 80 F (an inexpensive heat mat helps to warm soil). Place in a sunny window or under light. Sow thickly as rosemary is famous for spotty germination!
