(Capsicum baccatum)

SUGAR RUSH RED PEPPER

A lipstick-red version of the popular Sugar Rush Peach. Chris Fowler, pepper breeder extraordinaire from Wales, developed this fruity, spicy pepper. Long, bright red fruits pair saccharine sweet with spicy heat. Perfect for snacking, salsas, sauces and cooking!

PLANTING INSTRUCTIONS

Start indoors in bright light 8-12 weeks before last frost date. Heat mat helps to warm soil and speed germination. Peppers often appreciate a bit of afternoon shade during the hottest summer weather. More details at rareseeds.com
