ASHE COUNTY PIMENTO PEPPER

52 days. Super sweet red pimento, squat and small, about 3-4 inches wide and just 1-1.5 inches long. Incredibly flavorful and juicy. Early maturing and a little bit more cold tolerant than other peppers. Tidy bushes, just 24-30 inches tall, smothered in scrumptious fruit.

PLANTING INSTRUCTIONS

Start indoors in bright light 8-12 weeks before last frost date. Heat mat helps to warm soil and speed germination. Peppers often appreciate a bit of afternoon shade during the hottest summer weather.
