MIN 15 SEEDS \$3.50
PACKED FOR 2022 SELL BY 12/31/22

(Capsicum annum)

ORANGE SPIGE JALAPENO PEPPER

New Mexico State Univ. breeders used natural backcrossing techniques to create this spicy, eye-catching new heirloom. Ornamental, prolific, and well adapted to hot, dry climates.

PLANTING INSTRUCTIONS

Start indoors in bright light 8-12 weeks before last frost date. Heat mat helps to warm soil and speed germination. Peppers often appreciate a bit of afternoon shade during the hottest summer weather.
